ENGLISH

We will be wrapping up the Young Author project this week in class. Each of the 5th grade authors will present their completed story to the class Thursday or Friday.

MATH 1

This week we will continue to focus on fractions ~ adding/subtracting with unlike denominators. We will have a quiz on Friday.

MATH 2

We will have a quiz on mean, median, & mode Tuesday & then begin chapter 8: tools of geometry.

Math 3

The kiddos need to study the divisibility rules for a checkpoint quiz on Thursday. We will also work on finding the greatest common factor & equivalent fractions.

READING

This week we will be finishing our novels. Make sure students are studying all week for their novel test on Thursday! We will be ending the week by watching the movie version of our novels and getting ready to write a compare/contrast essay. Students should also be getting ready for their Set 18 vocab quiz which will be March 8th.

RELIGION

We will be continuing our Lenten Journals this week. We will also be working

on our Uganda Pen Pal letters for Friday. The Prayer recite this week is the Prayer to the Guardian Angel.

SCIENCE

This week we will participate in 4H Bridges. The 5th graders will present their individual bridges and test to see how much weight they can hold on Wednesday. In addition to the exciting project, we will be wrapping up our study on resources. The quiz for this chapter is scheduled for Thursday, March 11.

SOCIAL STUDIES

We will continue to build Jamestown this week & the students will continue to work on their historical letters about their adventure in the new world. The colonists are in need of salt dough to build their houses.
