## ENGLISH

This week we will move into Adjective Avenue, as we travel into our study of adjectives. We will continue to work independently, as well as in cooperative learning groups. As we begin a new part of speech, it is important that we continue to review daily.

## MATH 1 & 3:

We will be wrapping up chapter 3 this week by reviewing the concepts. Our test will be Friday.

## Math 2

We will continue working on chapter 3. We will review prime & composite numbers as well as learn how to compute greatest common factor. We will have a quiz on the divisibility rules Thursday & a quiz over lessons 1-3 on Friday.

## Reading

This week we will be working on finding the main idea of our selections and creating safety posters to reinforce this skill. The set 7 vocab words begin on Monday and the quiz will be next Monday, November 2nd.

## RELIGION

The kids will continue working on Saint Projects in class this week.

Two typed copies of the final paper are due on Wednesday, with the poster completed by Thursday. Costumes should also be here by Thursday as we will begin practicing presentations so they will be ready for the Wax Museum on Tuesday, November 3rd. Remember, costumes do not need to cost anything just be creative!

## SCIENCE

We will continue to look at inheritance and how scientists observed them. Chapter 2 is scheduled for November 5<sup>th</sup>. Please continue to encourage your child to study daily 5-10 minutes to avoid the cram and frustration of last minute review.

## SOCIAL STUDIES

We will continue to look at the lives of the Native Americans. The kiddos need to be studying the vocabulary for the chapter as we will have a quiz next week over all the words.
