ENGLISH

This week we will work on beefing up our writing and making our writing creative and catchy. In addition to this, we will work on adding and using more lively adjectives in our oral speaking.

MATH 1 & 3:

We will continue to work with division by moving onto two-digit divisors. We will take a quiz on Thursday. Friday we will work on problem solving tasks.

Math 2

We will start the week with a checkpoint quiz over lessons 4 to 7. We will spend the rest of the week working with fractions, decimals & problem solving. We will have a vocabulary quiz on Friday and begin reviewing for the chapter test on Tuesday.

Reading

This week we will begin our second novels. There will be reading assigned each night, along with a short summary of what was read. The Set 8 Quiz will be on Wednesday, November 11th so keep studying nightly!

RELIGION

We will continue presentations of our saints in class this week. The kids did a fabulous job at the Wax Museum, and seem to have learned a lot. Continue studying the actions and writing the New Testament Books. Due to presenting this week there will not be a quiz, but keep reviewing them for next week.

SCIENCE

BUGS, BUGS, BUGS, oh my! Last week 4H came with loads of information and activities about bugs. Be sure to ask your child about our wonderful 4H activity!

This week we will take a look at ecosystems.

SOCIAL STUDIES

We are starting interactive notebooks this week. We will be adding notes and details to begin wrapping up our chapter with a test right before Thanksgiving break.
