ENGLISH

This week we will continue to work on adjectives and move into our study on vibrant verbs. In addition to this, we will look at editing and proofreading written material. Please continue to encourage and assist your child in studying concepts daily, reviewing, and preparing for tests.

MATH 1

The division quiz will be Monday. This week we will work on learning the divisibility rules and applying them to problem solving.

MATH 2

We will wrap up chapter 3 this week with our chapter test on Tuesday. We will then start chapter 4: Adding & Subtracting Fractions. We will start with estimating sums & differences and fractions with like denominators.

MATH 3

We will be working on problem solving and taking a pretest for our next unit of study.

READING

This week we will continue with our novels and review for the novel test which is on Monday, November 23rd. The set 9 vocab quiz is

on Thursday this week, so keep studying 5-10 nightly!

RELIGION

We will begin talking about the effects of the media on our Circle of Grace this week. The students will be able to recognize types of media that influence us to move toward and away from the Ten Commandments. The 4th N.T. quiz is on Wednesday this week, which includes all books up through the book of James.

SCIENCE

Adaptations are taking over in science! This week we will begin a project that focuses on adaptations that may be seen in living organisms. It is important that we don't put this off until the last minute. The finished project will be presented to the class.

SOCIAL STUDIES

We will continue to work on our lesson notes for chapter 2. The kiddos should spend 5-10 minutes nightly reviewing the notes.
