## ENGLISH

Due to the snow days last week, all English periods will take the verb quiz Tuesday. This week we will continue to work on vibrant verbs. As the quarter winds down, it is important that the kiddos continue to work hard and persevere in studying daily.

## MATH 1 & 3

We will be working with customary units of length, weight, & capacity. We will quiz over this on Friday.

## MATH 2

We will be wrapping up the chapter this week by working with elapsed time. Our checkpoint quiz 2 will be Thursday. The chapter 4 test will be Monday, December 21.

## READING

Thank you to those who brought in cakes for the Alien Cake Presentations. They were very yummy!!! This week we will continue working on the skills of steps in a process, author's purpose and point of view, and sequence of events. We will finish the unit and take the test on Quia Friday. The Set 11 Quiz will

be on Thursday, December 17th.

## RELIGION

The kids were given an assignment to ask at home what you can do as a family during this Advent season. Please take a minute to discuss this with them. We will be reading unit four about the sacraments in preparation for the Archdiocesan Assessment coming up in January.

## SCIENCE

This week we will begin our study on Ecology. We will cover the first two lessons in our text this week. Vocabulary flashcards will be made Monday and it is important that these cards are used to study. This is a good tool to utilize daily to help review. Lesson 1 and 2 quiz is scheduled for Monday, December 21.

## SOCIAL STUDIES

We will continue learning about the early explorers of the United States by placing information in our interactive notebooks.
